

Global Reporting Initiative (GRI) and Fundación ONCE, in collaboration with APD, will hold the following event next 11 March 2015 in Madrid:

“A big leap for Disability in business strategies”

Venue: Hotel Confortel Pío XII; Avda. Pío XII, 77, Madrid – 28016

The event will launch the guide “Disability in Sustainability Reporting”, which is a joint effort by GRI and Fundación ONCE and is co-funded by the European Social Fund. It marks a milestone for the integration of disability issues in the sustainability reporting process. This publication aims to help organizations communicate their commitment to respecting and promoting the rights of people with disabilities, and better understand the competitive advantage of including disability related aspects within the business strategy.
